

**Civil War Veterans of Pickens County, South Carolina
As Shown of Pension Rolls**

This list was prepared by Van or Faith Clayton and is available in the Faith Clayton Room of the Rickman Library at Southern Wesleyan University, Central, SC.

The Civil War Pensions were kept in a shoe box in the Probate Office for many years. During that time, volunteers from the Faith Clayton Room copied the pensions and they are available in the library. Later, Matt Kutz of the Pickens County Library copies the pensions for use of Pickens County Library patrons.

Most of the pensions are also available online at the South Carolina Department of Archives and History.
