

Confederate Soldiers in Three Pickens County Precincts

Local historians previously located a book in the Pickens County Courthouse and then later in the Pickens County Administration Building where soldiers were listed in three precincts of Pickens County: Hurricane [Six Mile, Shady Grove]; Dacusville, and Pumpkintown. The book is not in the Administration at its previous location [August 26, 2011].

These records were copied from that book. Several of the pages were copied and are available at the Faith Clayton Room at Southern Wesleyan University Rickman Library in Central, South Carolina.
